

EarthCleanz
Cleaning our Earth One Drop at a Time

B.L.O.C.™
Biological Liquid Odor Control

Key Benefits

- Controls odors including ammonia
- Reduces animal stress
- Less neighbor complaints

Applications

- Kennels
- Air filters
- Compost
- Flour mills
- Dairy barns
- Waste lagoons
- Manure and litter
- Processing plants
- Poultry & Swine houses
- Livestock holding areas
- Manufacturing facilities
- Anywhere pests and odors may be a problem

Features

- BLOC™ contains naturally occurring odor-reducing microbes in a blend of natural surfactants and growth enhancers.
- Controls odors safely and naturally.
- Can be reapplied as needed, even in areas where animals are currently being housed.
- Easy to use, just dilute and spray.
